

Bill Wick Marine Fisheries Award

Purpose: A memorial in honor of Oregon's first Sea Grant Director, the Bill Wick Marine Fisheries Award supports graduate students in the areas of marine fisheries ecology, food processing, economics and marketing.

Amount: The award for 2009 is up to \$4,000.

Application: Students must submit:

- Two-page statement of academic goals and summary of research (past and proposed research);
- Two-page Budget and Narrative explaining and justifying how funds will be spent;
- Resume (not to exceed 2 pages);
- A letter of support from major professor.

Duration One calendar year. The recipient will be expected to prepare a poster on proposed research at the beginning (June 2009) and a report on results at the end of the year (June 2010) at the annual HMSC-Markham Awards Symposium.

Deadline: **April 13, 2009**

Apply to: Dr. George Boehlert, Director
Hatfield Marine Science Center
2030 SE Marine Science Drive
Newport, OR 97365
email: george.boehlert@oregonstate.edu
Tel. (541) 867-0212 Fax (541) 867-0444

Application Guidance:

Applications must be submitted as a complete package by the deadline. Electronic submission, as a single PDF file by email will also be accepted. ***NOTE: Instructions for applications must be followed exactly or the application will not be considered.*** For additional application guidance, see <http://hmsc.oregonstate.edu/awards.html>

Applicants with previous awards from HMSC should clearly indicate the level of past support, be certain that reporting requirements have been met, and provide a paragraph describing past progress or results (include in the 2-page statement of academic goals and summary of research).

The criteria by which applicants will be evaluated include: scientific merit (creativity and feasibility of proposed research and potential for broader implications); academic qualifications and service activity (to institution, community, profession); soundness of proposed budget; and financial need.
