- ◆ Telephone consultation with a clinician can be arranged if needed.
- ◆ Urinary Tract Infection management (if uncomplicated)

After Business Hours:

Nurse advice available:

541-737-2724

(You will be redirected to a nurse advice call center)

Student Health Services
studenthealth.oregonstate.edu

Through your secure patient portal

You can....

- Send a secure message to a clinician or nurse
 - Request a Prescription Refill
- If you have been a patient at SHS main campus, you can view health records, immunizations and lab results.

We encourage students with chronic conditions to establish care with a provider at Student Health Services main campus. Doing so will facilitate future visits or telephone consultations.

*Ecampus students are currently not eligible for services
