---

### Award Requirements:

- Student status: Graduate and undergraduate students enrolled at Oregon State University. Students admitted for Summer and Fall 2022 are welcome to apply.
- Education level: Graduate and undergraduate. Priority given to graduate students
- Degree program: Fisheries and Wildlife, Marine Education, Oceanography, Zoology, Biology
- Reporting: Awardees will be required to submit a final report by May 31, 2023
- Students are eligible for the award a maximum of two times.
- Awardees will be required to participate in the 2022 and 2023 Markham Symposiums. The 2022 Markham Symposium will be held on June 16, 2022.

### Funding Uses:

- Tuition and stipend up to \$500/month
- Funds cannot be used for student fees.

### To Apply:

Applications must be submitted through the online application form at <https://beav.es/JPd> by 11:45 PM on April 8, 2022 to be considered. Applications should be submitted as a single pdf document.

Your application must include the following documents:

- Cover letter, no longer than two pages. The cover letter should include a description of personal academic and career goals.
- Project description, no longer than two pages concisely proposing the research problem to be investigated: defining objectives, methods and significance of results.
- Resume, no longer than two pages. A CV format will not be accepted. Your service activity for the institution, community, and/or profession should be reflected in your resume.
- Budget, including a one-page narrative.
- Letter of support from a faculty member. The letter should address their support for your project and your ability to complete your project as described in your project description and budget. The letter of support can be included in your application document or emailed directly to Melissa Rieth at [melissa.rieth@oregonstate.edu](mailto:melissa.rieth@oregonstate.edu)
