### To Apply:

Applications must be submitted through the online application form at <https://beav.es/JPd> by 11:45 PM on April 8, 2022 to be considered. Applications should be submitted as a single pdf document.

Your application must include the following documents:

- Cover letter, no longer than two pages. The cover letter should include a description of personal academic and career goals.
- Project description, no longer than two pages concisely proposing the research problem to be investigated: defining objectives, methods and significance of results.
- Resume, no longer than two pages. A CV format will not be accepted. Your service activity for the institution, community, and/or profession should be reflected in your resume.
- Budget, including a one-page narrative.
- Statement from your academic department verifying that your GPA is equal to or above the average GPA of graduate students in your academic program.
- Letter of support from a faculty member. The letter should address their support for your project and your ability to complete your project as described in your project description and budget. The letter of support can be included in your application document or emailed directly to Melissa Rieth at [melissa.rieth@oregonstate.edu](mailto:melissa.rieth@oregonstate.edu)
