Please help us keep this campus safe for you and your fellow students, staff, and faculty.

- Use your access privileges responsibly.
- Don't share your keys/keycards or allow others to follow in when accessing a space. HMSC tracks access and you are responsible for what happens in spaces accessed by your card.
- Return your keys when you leave. You will be charged a fee to rekey any locks associated with a lost key. Controlling keys helps keep us all safe.
